

OFFICIAL LETTER OF CANCELLATION

2020 INTERNATIONAL LAM RESEARCH
CONFERENCE & LAMPOSIUM
CINCINNATI, OHIO
APRIL 30 – MAY 3, 2020

This is an Official Certificate for _____,

It is with deep regret that we are informing you of the cancellation of the 2020 International LAM Research Conference and LAMposium in Cincinnati, Ohio. The decision to cancel was based on the available scientific data on COVID-19, the fact that a large number of attendees at this meeting were traveling from outside the US, and the vast majority of the attendees are diagnosed with a rare lung disease called lymphangioleiomyomatosis (LAM) that leaves their immune systems vulnerable and susceptible to respiratory infections.

We recognize that the timing of this decision significantly inconvenienced many. However, this decision was made out of deep concern for the health and well-being of our LAM patients, scientific community, and the general public.

Due to the unexpected cancellation of the conference, we ask that you honor all travel funding requests from attendees.

Francis X. McCormack, MD
Scientific Director, The LAM Foundation
